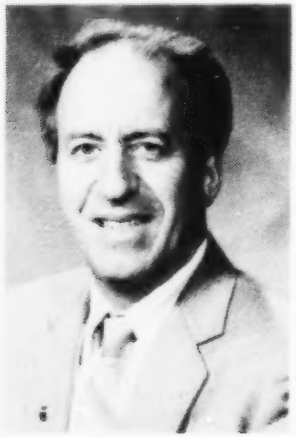
Message from the Minister



It is a pleasure to introduce the 1986 Alberta Public Library Statistics — an annual publication that gauges the level of public library service in the province.

The following pages indicate that libraries are meeting the increased demand by Albertans for their services. Statistics reveal that over the last five years, public library circulation throughout the province has increased over 119 per cent. This means more than 21 million items, or nearly ten items per capita, are circulated annually through our libraries —a truly impressive achievement.

Public libraries are indeed vital to the enrichment of life in Alberta. The Government of Alberta is pleased to support the province's more than 300 public libraries in their continuing efforts to provide excellent service to our citizens.

Honourable Greg Stevens, P. Eng.
Minister of Culture and Multiculturalism

Library System

Established by agreement between two or more municipalities and/or school authorities as provided for under Section 19 of the Libraries Act, statutes of Alberta 1983, Ch.L-12.1. It is supported by local taxes and is governed by a board consisting of one member appointed by each participant, two members appointed by the Lieutenant-Governor in Council and additional members approved in accordance with the Libraries Regulation. There are four library systems.

Municipal Library

Established by passage of a by-law under Section 9 of the Libraries Act, Statutes of Alberta 1983, Ch.L-12.1. It is supported by municipal taxes and is governed by a board of not less than five and not more than ten members, all appointed by the council of the municipality. Not more than two members of council may be members of the Board. There are 253 municipal library boards, including those receiving service from library systems.

It is governed by a board which is a corporation. There are 24 community library boards.

*These statistics are available on request and can be published if demand warrants it.
